MY FIRST STEM PASSPORT · ALL AGES

Robots, Engineers, and 100 Student Teams

FIRST® Tech Challenge Chesapeake Championship. Come for an hour or stay all day.

Sat–Sun, February 6–7, 2027 Meadow Event Park · Doswell, VA · across from Kings Dominion

HOW MY FIRST STEM PASSPORT WORKS

Pick up a free My FIRST STEM Passport at the door (or print it at home). Complete five missions at your own pace with your family or a small group, and collect a sticker from a team member or volunteer at each one. **Four stickers earns a completion certificate aligned to the Virginia SOLs, handed to you on the spot** (with a little something extra).

1 • The Pits

Ask a team what broke this season and how they fixed it.

2 • The Field

Watch two matches. The first 30 seconds are all code.

3 • Scouting

Think like a strategist. Rate a robot on speed, accuracy, teamwork.

4 • Talk to a Team

What class helped most? What comes after high school?

5 • Tech Mixer

Meet the companies and universities who hire for this.

Groups of 10+

Classes, scouts, 4-H, clubs: request a free 45-minute guided visit with a student ambassador.

PLAN YOUR VISIT

Cost Free admission, free parking

Saturday Passport and tours from 10 AM (practice matches, before opening ceremonies). Best for younger kids.

Sunday Matches in the morning; playoffs and awards in the afternoon.

Bring Closed-toe shoes and ear protection for noise-sensitive kids. Safety glasses free in the pits.
