STAMP
HERE

My Hive Report

My favorite part of today was...

Next, I want to learn more about...

Circle as many as you like.

building

coding

design and CAD

driving

strategy

telling the team's story

something else!

If I were on a team, my role would be...

builder

programmer

driver

designer

scout

captain

storyteller

Could this be you next season?

- ☐ I want to join a team
- ☐ I want to start a team at my school or club
- ☐ I'm coming back to cheer next year

Grown-ups: *FIRST* Chesapeake has robotics programs for students from elementary through high school, with teams in schools, libraries and community groups across DC, Maryland and Virginia. No robotics background is needed to coach or mentor. Scan to find a program and learn how to join or start a team, or visit **firstchesapeake.org**.

Want us to follow up? Grown-up's email (optional): _____

Design your own robot

What would it do? Label its parts.

Grid area for drawing the robot.

My robot's name: _____

Got 4 stamps? Ask a volunteer where to turn in your passport for your completion certificate and a raffle entry.
